

Give Chapters a Hand: Awards of Excellence **Georgia Chapter**

PART 2: EXCELLENCE AND INNOVATION IN PROGRAMMATIC AREAS

Won the National Outstanding Newsletter award 2008, to save monies and to go green the chapter is offering to go paperless and send the newsletter out as a pdf online.

Face to face community building experience, the chapter volunteers worked the event Georgia Academy of Family Physicians convention, health care fairs at the mall, offer support to members of our military returning from Iraq, had a large bill board at the Masters Golf tournament advertising the AMTA, has been and is currently working with the Parkinson's foundation, volunteers working on the community volunteers after major tornado's touch down in North Georgia. Educating the public as to the importance of a LMT.

Fund raising at all chapter meetings with the sales of t-shirts, totes and hand towels, and raffles.

Service to members, Setting up appointment and meeting with massage schools throughout the state, welcoming new members with phone call, letters and listing on the our website and in the newsletter. Keeping in touch with members through email blasts, members surveys and helping the students with waiving the chapter fee in these hard times.

Volunteer management, we have leadership training each year, updating chapter policy book, recognition of all volunteers at the annual meeting. Reaching out and talking with members for volunteer recruitment, and the starting a mentoring program.

PART 3: OUTSTANDING SERVICE TO MEMBERS:

Above and beyond: The chapter supports all the members rather it be professional or personal, The Georgia chapter is a family, not just an organization, we wish all of our members, health, happiness and well being, we are here for them.
